

BILL NO. S-67-02- 05

SPECIAL ORDINANCE NO. S- 431-67

AN ORDINANCE approving an Emergency Resolution of the Board of Public Works for construction of 12 inch sewer in connection with the City-County Building.

WHEREAS, the Board of Public Works, by Resolution under date of January 23, 1967, determined that it was imperative to proceed immediately with the construction of the new sewer line in connection with the City-County Building while the street is torn up for work being done by the City Light and Water Departments of the City of Fort Wayne in Main Street between Calhoun and Harrison Streets; and

WHEREAS, said Board of Public Works authorized Bercot-Gibson Construction Co., Inc. to proceed with the construction of a 12 inch sewer for a total cost of \$4,950.00;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. The Emergency Resolution of the Board of Public Works dated January 23, 1967 accepting the bid of Bercot-Gibson Construction Co., Inc. and authorizing said company to proceed with the construction of 12 inch sewer in Main Street between Calhoun and Harrison Street in connection with the City-County Building for a total cost of \$4,950.00, is hereby in all things ratified, confirmed and approved.

SECTION 2. This Ordinance shall be in full force and effect from and after its passage and approval by the Mayor.

Dear Mr. Arnold:

Please prepare an ordinance to be introduced in the Common Council
February 14, 1967 for the following:

To approve an EMERGENCY RESOLUTION making a contract with
Bercot-Gibson Construction Co., Inc., to construct a sewer in
Main Street for the sum of \$4,950.00. Said emergency was de-
clared in order that the Contractor shall do the work concurrently
with the Electric Utility project.

Yours truly,

Fred S. Ehrman

Mr. Jack Dunifon, Chairman
City Utilities Committee
The Common Council
Port Wayne, Indiana

Gentlemen:

An emergency has arisen in connection with constructing a new sewer line on Main Street as per the attached Resolution.

It is imperative that said sewer be constructed while the street is torn up by the City Light Department and the Water Department, which makes it impossible to follow the regular procedure of advertising for bids and awarding a contract. Therefore, we have authorized Bercot-Gibson Construction Company, Inc. to proceed with the construction of said sewer at their lump sum bid in the amount of \$4,950.00. Therefore, we are asking the Common Council to give advance approval on said Resolution and contract since construction must necessarily begin on Wednesday, January 25, and which Resolution will be submitted in ordinance form at the next regular Council meeting.

Very truly yours,

BOARD OF PUBLIC WORKS

RESOLUTION

WHEREAS, the City Light Department is constructing a new underground conduit line in Main Street between Calhoun and Harrison, in connection with the City-County Building, and

WHEREAS, the Water Department is disconnecting old water taps from demolished buildings in said area, and

WHEREAS, the several excavations have exposed the sewer in several locations, which sewer was built in 1868, and

WHEREAS, due to the very poor condition of said sewer, it is deemed advisable to construct a new 12" in diameter sewer commencing at an existing 54" sewer at the intersection of Harrison Street and Main Street, thence easterly along Main Street a distance of 327 \pm lineal feet, terminating at a proposed manhole, all in accordance with Drawing SY-10775, and

WHEREAS, the Board of Public Works has declared an existing emergency in connection with the replacement of said sewer which shall be constructed during the next two weeks period while the City Light Department and the Water Department have said streets closed and excavated, and

WHEREAS, Bercot-Gibson Construction Company, Inc. has submitted a lump sum bid in the amount of \$4,950.00, which is under the engineer's estimate and deemed to be fair and reasonable,

NOW, THEREFORE, BE IT RESOLVED that the Bercot-Gibson Construction Company, Inc. be authorized to proceed with the construction of said sewer for the contract amount of the aforesaid bid and that the contractor shall proceed with the work on this project on an emergency basis starting Wednesday, January 25, 1967.

BE IT FURTHER RESOLVED that a copy of this Resolution be submitted to the Common Council for approval at their next regular meeting.
